

Children's Cough & Sore Throat Syrup

GLYCERIN &
LIQUID SUGAR

FOR DAY & NIGHT USE

1 year +

What this medicine is for

Benylin Children's Cough & Sore Throat Syrup is a non-drowsy cough syrup, which relieves irritating, dry coughs and sore throats.

Before giving the medicine to your child

This product is suitable for most people, but a few people should not use it. If you are in any doubt you should contact your doctor or pharmacist.

X Do not give your child this medicine...

- If s/he is under 1 year old.
 - If s/he is allergic to any of the ingredients.
- If any of these bullet points apply, get advice from a doctor or pharmacist without using Benylin Children's Cough & Sore Throat Syrup.

X Talk to your doctor or pharmacist...

- If your child has an intolerance to some sugars.
- If this applies to your child now or in the past, talk to a doctor or pharmacist.

I Some of the ingredients can cause problems

- This product contains 0.8 g glucose and 1.7 g sucrose in each 5 ml, which may be harmful to the teeth. If you have been told by your doctor that your child has an intolerance to some sugars, contact your doctor before using this medicine. This should be taken into account in patients with diabetes.
- Carbohydrate content of this medicine is 3.4 g per 5 ml.

How to use this medicine

- Check the information below to see how much medicine to give.
- For oral use only.
 - Do not give more than the stated dose shown below.

I If anyone has taken too much

If anyone has taken too much of this product, contact a doctor or your nearest Accident & Emergency department (Casualty), taking this pack with you.

I If you forget to give the medicine

If you forget a dose, give the next dose when needed. Do not give a double dose.

Possible side-effects

This medicine is unlikely to cause side-effects unless your child is allergic to the ingredients. If your child experiences any of the following, stop giving the medicine and seek immediate medical help.

- Unexplained wheezing or difficulty in breathing, swelling of the face, lips, tongue or throat.
- If your child experiences any other side-effects or you are not sure about anything, talk to your doctor or pharmacist.

Storing this medicine

Do not give this medicine after the expiry date shown on the bottle. Keep the bottle tightly closed. There are no special storage instructions for this medicine. Keep out of the reach and sight of children. Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment. Retain carton for full instructions.
